Warren County Court Next Week.

The June term of Warren county court will convene at Warrenton Monday. It is a two weeks term of court, and the case of E. E. Towell, Sr., for the killing of C. W. Dunn, has been set for Monday of the second week, 27th inst., and it will not be necessary for the witnesses to be present until that day. This case was removed from this at the last term of court. Judge Geo. W. Ward, of Elizabeth City, who is serving the district as spring judge will preside.

There will be something like seven or eight witnesses in attendance, besides the interested parties in the case.

Blind Tiger Cases.

Mayor A. C. Livermon issued 10 warrants against Mr. E. E. Powell, Jr., Thursday of last week, charging him with selling whiskey. Powell was brought into court, and waiving examination was bound over to Halifax Superior under a \$350 bond in each case. Failing to give these bonds he was carried to jail at Halifax.

There was plenty of evidence before the court that Powell had been selling whiskey.

There will likely be several other cases of the same character against Powell.

The officers of our town are to be commended for their efforts to break up the blind tiger business here. May they continue the fight until every blind tiger is put out of business. There are likely others in this community that need attention.

Why Take Alcohol?

Are you thin, pale, easily tired, lack your usual vigor and strength? Then your digestion must be poor, your blood thin, your nerves weak. You need a tonic and alternative. You need Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. We believe your doctor would endorse these statements, or we would not make them. Ask him and find out. Follow his advice. J. C. Ayer & Co., Lowell, Mass.

The endorsement of your doctor will certainly greatly increase your confidence in Ayer's Pills as a family laxative. Liver pills. All vegetable. Ask your doctor about them.

LOCAL NEWS.

Items Gathered From the Town and Country.

The crops are small but looking fairly well.

The continued rain the past ten days has considerably damaged the crops and has thrown the farmer behind with his work.

The Children's Day service at the Methodist Church Sunday night was highly enjoyed by those whose pleasure it was to be present. The children were trained by Mrs. Kate Dunn and Miss Kittie Foster. The collection was quite satisfactory.

We have been requested by several farmers that have wheat to ask who will put out a thresher. There is right much wheat being saved in this community and so far as is known there is no one with a thresher to get it out. It has been suggested that attachments can be had for a pea nut thresher, and we hope some body will investigate the matter and be prepared to do wheat threshing.

Another Delightful Dance.

An informal dance was given at the Academy of Music Saturday night complimentary to the visiting girls of Scotland Neck. Music was furnished by the Sook Jones String Band, which was largely responsible for the delightful time which everybody enjoyed.

The gaily dressed couples began to roll in at nine-thirty, and by ten most of the beauties could be seen floating through the dreamy waltz and fascinating two-step. Several barn dances and keeroes added very much to the occasion. The "cubana glide" was made especially popular, as this step seemed to inspire even the coffee-colored musicians, who tackled the instruments of harmony with life and vigor.

Imagine the sorrow of every one when the hour of twelve drew near and the last strains of "Home, Sweet Home" were faintly echoing through the spacious hall. Every one departing declared it a most delightful dance and one to be long remembered.

The following couples were present: Mr. L. M. Kitchin and Miss Lillian Burch, of Greenville; Mr. W. H. Kitchin and Miss Hallie Powers, of Wake Forest; Mr. S. B. Kitchin and Miss Lucile Cobb, of Greenville; Mr. L. H. Kitchin and Miss Gunnie Davis, of Friscoe, Cal.; Mr. N. A. Riddick and Miss Cornelia Josey; Mr. Herbert McDowell and Miss Old, of Belhaven; Mr. Surry Dunn and Miss Estelle House; Mr. Joseph House and Miss Lucie Farmer, of Greenville; Mr. Alwyn Darden and Miss Martina Rocton, of Bluefield, W. Va.; Mr. R. T. Dunn and Miss Elsie Finch, of Hamburg, Ala.; Mr. Gavin Hyman and Miss Katherine Kitchin; Mr. Aldens Dunn and Miss Ruth Pillsbury, of Valdosta, Ga.; Mr. Ashby Dunn and Miss Eva Jones, of Elmira, N. Y.

The chaperones were: Mrs. C. L. McDowell and Mrs. J. A. Kitchin.

"Escaped From The Law."

By special request this splendid play by our home talent was repeated at the Madry Opera House Tuesday night. The proceeds being given to the local Chapter of the Daughters of the Confederacy.

The audience Tuesday night was large, considering the wet, bad weather, and the play just gets better each time it is presented. Every player acted their part to perfection and the chorus girls were especially applauded.

NEWS FROM THE COUNTY CAPITOL.

Death of an Aged Lady. The Farmers Blue. Other News.

Halifax, N. C., June 14.—Miss Isea Harper, a very estimable lady of the Ebenezer section, died at her home last Wednesday at the advanced age of about 93 years. Deceased had lived in that community practically all her life, and had many friends. For a number of years she had not been able to hear scarcely at all. She was a consistent member of Eden church.

The land sale here on last Thursday proved to be quite a success. There were 60 lots sold to the highest bidder, which brought about \$1,800.

The farmers are right much worried about the immense quantity of rain that has fallen, as it has impeded the working of small crops that need it badly. Taking into consideration the very cool weather that we had for a number of days, and then the rain to follow, they have some cause to be worried. We understand that many bridges in different parts of the county have been swept away, and the roads are terribly washed.

B. T. Meacham, of Petersburg, was in town last Saturday on business for his house.

D. R. Anderson, of Weldon, was a caller here on last Friday.

Rosemary Items.

June, 13th, 1910.—Evangelist Raymond Browning, of Littleton, and Rev. Charles A. Jones, of Scotland Neck, did good preaching here last week. About one hundred and fifty conversions, two I was pleased to see, one my native home friend, and one my Littleton friend. The writer hopes they may hold out faithful to the end, that they may clasp hands with loved ones, on yonder's christal banks, where the birds sing sweetest, the flowers bloom brightest, the rivers, creeks and all streams flows in its long eternal.

Mr. R. E. L. Byrd, to this place, had his horse stolen a few days ago. Pursuers overtook the thief in three miles of Raleigh, had Frank Johnson arrested. The officer went to sleep, the thief made his escape, Mr. Byrd got his horse.

Mumps is raging in our town. Rosemary is only a cotton mill village, composed mostly of mill operatives, about one thousand inhabitants, two large cotton mills, No. 1 Rosemary mill, No. 2 silk mill, another large mill going up called the Patterson Mfg. Co. one boarding house run by Mrs. Hart, five stores, Patterson Store Company the largest, two churches Methodist and Baptist. John Patterson general manager, Mr. T. W. Mullen, son of Judge J. M. Mullen, of Petersburg, assistant superintendent, so you can see some time in the near future, Rosemary will be one of the most important Cotton mill towns on the Seaboard road.

Death of an Infant.

'Twas about seven o'clock Friday evening, June 10, 1910, that the spirit of little Frances Louise, infant daughter of Mr. and Mrs. E. J. Proctor, took its flight from this place of mortality to the home of immortality, from the realm of suffering to that of no pain and no death. Five months and fourteen days was the duration of her stay upon the earth, but she was so gentle and sweet that in this brief time she won the hearts not only of relatives but of all who came in touch with her gentle little life. She is now gone, but the sweet fragrance of her influence abides and her cheery disposition and sweet smiles linger in our minds like the memory of a delicious dream or the slowly vanishing impression of an angelic face or the receding echoes of heavenly music.

They robbed her body in snowy white, placed it in a beautiful white casket, and on Saturday afternoon with four little girls, Elmyra Jenkins, Lena Smith Cherry, Myrtle Hill Wilkinson, and Ailene Pope, all dressed in white, acting as pallbearers, we wended our way to the Baptist cemetery and gently placed her body in its final resting place and covered her little grave in beautiful white flowers.

Rev. R. A. McFarland conducted the burial service and Miss Emily Biggs sang "Looking This Way." Then the choir sang "Safe in the Arms of Jesus" and we turned our faces homeward with sad but surrendered hearts.

Sleep on, Frances Louise, sleep on and take thy rest;
We loved you well, but Jesus loved you best.

PASTOR.

Charmed All.

The Scotland Neck Dramatic Club Monday evening presented for the benefit of the Wyatt Memorial Fountain Fund, a charming drama "Escaped From The Law," in a most charming manner.

Had the lovely girls and good looking men been professionals, we doubt if they would have interpreted the parts that there would have been an iota of improvement.

The chorus girls were the prettiest ever seen on a stage and did their parts to perfection.

The Wyatt Fountain Fund is much swollen and our people are still praising the histrionic talent of our delightful hospitable near by town, Scotland Neck and its good, clever people.—Tarboro Southerner June 7th.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c.

BOTH GROWERS AND BUYERS ENTHUSIASTIC OVER The Benthall Peanut Picker

Peanut growers and buyers alike declare the Benthall Peanut Picker the only absolutely satisfactory picker made.

Growers do the work of forty men with one machine, and more than double their profits. It picks Spanish or Virginia varieties with equal satisfaction. It picks while the vines are in a condition for saving, thus giving a crop as good as alfalfa. Buyers declare Benthall picked nuts cleaner and much more desirable than hand picked nuts.

Vines are fed to picker like grain to thrasher. Nuts come out whole and clean. The stemming and cleaning capacity has been increased, and the weak parts in the 1909 models corrected. 13 ft. model run by horse or applied power; 16 ft. model applied power only.

All horsepower machines will have 1908 shoe or shaker, and we will build machines if desired with 1910 general construction and 1908 shoe or shaker.

Standard Peanut Co. buyers say: "It is a standing rule with our buyers to give preference to machine picked peanuts, as in our opinion they are far superior." W. F. Jones, grower, writes: "Threshed 173 sacks of Virginia nuts in one day. Can thresh 100 to 125 sacks Spanish." E. J. Bailey: "I threshed 1609 bags with repair bill of only 75 cents."
